

## OUR CULTURE:

### Fun

We provide an interesting eye exam followed by a colorful experience choosing eye glasses.

### Genuine

Our mission is to be heartfelt, earnest, straightforward and full of integrity. We mean what we say and we follow through.

### Respectful

People are different. We love each patient for his or her individuality. On the flip side, our patients respect our quality and ideals.

### Professional

The Unique Optique team will act to the highest standards of our profession. We will not waver from this oath. We only provide quality materials.

### Honest

We speak the truth. We only say what we know to be true.

### Abundant

We embrace that we'll be successful financially, intellectually and emotionally and generously pass that onto others.

### Trustworthy

You can trust us with your health, your eyes and your personal information.

### Empathetic

Unique Optique truly cares about you. We will treat all patients as if they were our dearest friends. We listen intently and do what we can to solve any problems. Unique Optique will continually try to exceed our patient's expectations.
